TI and Casa das Ciências proudly present secondary grade students the “CienTistas e ArTistas” Video Contest. It’s a fun opportunity to apply their math and science knowledge on video for a chance to win one of 10 Prize Packages.

THE CHALLENGE

Using TI Technology, students are to show on video how and why Math, Physics and/or Chemistry applies to a real-world situation.

The more creative and accurate the video is, the higher the chance of winning.

CONTEST DETAILS

Participants:

- » Student(s) can work alone or collaborate with 1 to 3 students.
- » Teams can have 1 to 2 mentoring teachers.

VIDEO:

- » Maximum video length is 10 minutes.
- » Students must enroll in contest by Oct. 31, 2014.
- » Submissions should be received by Dec. 31, 2014.

PRIZES:

Winners will be announced March 30 2015.
