J.R. SCHNABEL

XCR RACEWEAR

The definitive racewear for the most aggressive off-road rider. XCR defines high-quality and technicality with its innovative design. No other gear offers more comfort, range of movement, or durability. Tested and approved by our top pro riders, XCR stands up to the demands of the most extreme conditions. Exceptional fit combined with cutting edge craftsmanship, XCR exceeds the industry standards.

- XCR PANT**
1. Main materials: Nylon / Polyester with double and triple stitched seams
 2. Integrated dual waist cinch straps to fine tune the fit
 3. Pre-bent pant leg design
 4. Oversized heat and abrasion-resistant genuine leather inner knee panels
 5. Stretch panels above the knee & seat
 6. Injection molded badges add durability and armor coverage
- + Removable vented hip pads
 - + Reinforced knee and seat area
 - + \$139.95

GLENN KEARNEY

SAHARA RACEWEAR

Built to handle the demands of riding in extreme heat. Sahara racewear is paramount in movement and design. Tested and fabricated by top riders to put forward the maximum in ventilation and perspiration evaporation. Lightweight yet remarkably durable, Sahara defeats the highest desert temperatures and the thickest swamp humidity. Leaving the competition in the heat.

SAHARA PANT

1. Main materials: Highly ventilated nylon / polyester
 2. Oversized knee area with perforated genuine leather inner panels
 3. Reinforced high wear areas around knees and seat
 4. Knee, thigh, and seat stretch panels add flexibility
 5. Strategically placed rubber badges for roost armor and durability
 6. Integrated dual waist cinch straps with tabs to fine tune the fit
 7. Pre-bent pant leg design
- + Removable vented hip pads
 - + Designed for breathability and lightweight
 - + \$109.95
