SIGNATURE IS SUPPORTING THE TECH CYCLE PROJECT BY DONATING 26 COMPUTERS, ETC. FOR 1ST PHASE.

Millions of people in Malaysia do not have access to the Internet or even computers. At the same time, countless computers are being discarded every year, wasting valuable materials and unknowingly harming the environment.

Enter TECH CYCLE, your community channel for giving away unneeded digital devices in a responsible and meaningful manner. TECH CYCLE is set up by SOLSTECH, a Microsoft Registered Refurbisher and Hong Leong Foundation to help bridge the digital divide by up-cycling and repurposing e-waste as e-learning tools for unprivileged communities.

A small step by you,
A BIG CHANGE
to the company.

TECH CYCLE accepts the following, be it in working or non-working conditions, and not older than 2004:

- Desktops
- Notebooks
- Printers
- Cameras
- Mobile Phones
- Routers
- Fax Machines

- Servers
