

VERBO™ Plays Just Like UNO®!

VERBO™ is our version of one of the world's most popular card games! Created by a Spanish teacher in Michigan, VERBO™ reinforces verb forms and helps students recognize different conjugations! The game plays just like UNO®. All of the rules remain the same except that players change suit by laying down a card of the same verb or verb form instead of using colors and numbers. Just don't forget to shout ¡VERBO! when you have one card left! 4-6 Players. Present tense. Intermediate.
