

# Oregon Wine *Perfection!*

*Perfection doesn't come easily...especially with wine.*

OREGON'S microclimates and diverse soils combine to create varietals that complement Northwest fare such as rich **PINOT NOIR**—with wonderful balance and complexity that bring out the best in hearty meals. Equally unique are Oregon's white wines. An Oregon **PINOT GRIS** makes a terrific aperitif on a hot summer day...or goes especially well with hors d'oeuvres, appetizers or any seafood course. The experts at your neighborhood Haggen will help you find the right wine for any occasion—from Oregon or around the world. *We're here to help!*
