

INTRODUCING

BNA's International HR Decision Support Network[®]

The Global Solution for HR Professionals

- **Custom research** answers to your pressing questions, 12 per year.
- **Country primers** give you an in-depth review of HR policies in the countries where your business operates.
- **Vertical search** technology makes it easy to create tailored searches of BNA-vetted content.
- **Audioconferences/webinars** on hot topics. HRCI Credits included!
- **Strategic white papers** give in-depth focus on the issues that matter most to you.
- **News and e-mail updates** alert you to developments that could affect your strategic international HR decisions.

Add value to your global operations and find answers to your toughest questions.
