Diamond slices are untreated rough diamonds with natural occurring inclusions, cracks and feathers, then lightly faceted and highly polished to embrace and enhance the beauty found in nature. Each diamond is truly unique with translucent smoky swirls to waft like threads of color featuring a wide range of veining, hues and rutilation.

Round diamonds are SI2-SI3, H/I.
All prices are 0-10-0-10 in 14kt @\$1,700 gold.
Prices subject to change without notice.
