HAFFARDS ST.

we walk out the front gate,
then turn towards the
rocky sidewalk

at the end of the street
we take a **QUICK LEFT**, because she thinks
we're headed to the
baseball field

HALF WAY down the street
all we hear is the **LITTLE YAPPY DOGS**

she attempts to cross the street
multiple times to play in the field until
SHE GETS DISTRACTED by the smell of *Graham's*
HOT DOGS

after crossing over **DONNELLY ST.**
one of Cali's favorite things
to do is rub against the
tall trees
as we walk by

the kids are noisy outside the
BOYS & GIRLS CLUB so they steal her attention

we walk about
THIRTY MORE STEPS &
cross the street to walk up

PLAIN ST.

where Cali gets to rub
against more trees

At the very top we take a right,
**THE DOG PARK
IS UP AHEAD**
& Cali is excited that
she is free to play
with her friends
