

Forty years ago, Harriet Vanger disappeared on the island owned and inhabited by the powerful Vanger clan. Her body was never found and her beloved uncle is convinced that she was murdered and that the killer is a member of his own tightly knit but dysfunctional family. He employs disgraced investigative journalist Mikael Blomkvist and the tattooed and troubled yet resourceful computer hacker Lisbeth Salander to investigate.

When the pair link harriet's disappearance to a number of grotesque murders from almost forty years ago, they begin to unravel a dark and appalling family history. But the Vangers are a secretive clan and Blomkvist and Salander are about to find out just how far they are prepared to go to protect themselves.

The Girl With The Dragon Tattoo is one of the decades great literary success stories, selling over 8 million copies worldwide, while the film adaptation has become the highest grossing Swedish film in history and Europe's highest grossing film of 2009.
