Artist: Eamon King

Eamon was first introduced to glass as an artistic medium through the Toledo Museum of Art's high school glassblowing program. This started Eamon on a path that would become his life's passion. He earned a B.A. from the University of Toledo and participated in workshops in Murano, Italy, with Mattia and Davide Salvadore, Lino Tagliapietra, and Cesare Toffolo. Since the opening of the Glass Pavilion at the Toledo Museum of Art in 2006, Eamon has worked there as a demonstrator/ narrator in the hot glass studio. He also is actively involved in teaching glassmaking classes for high school students and adults.
