What is it like to *live* with a hearing disability?

Aram • 54 • Hearing Aids

“*Close captioned* televisions are great since I can follow along with or without sound.”

“The main area where my hearing impairment affects me is when I am in *meetings with others.*”

Arthur • 55 • Cochlear Implant

“The use of *e-mail and text messages* has made things much easier for me.”

“With *multiple people*, it becomes increasingly *difficult* to keep up with who is currently speaking.”

↪ *Experience* effects first hand.
