

“And there’s no remedy for memory of faces Like a melody, it won’t leave my head,
Your soul is haunting me and telling me That everything is fine But I wish I was dead”

“Kiss me hard before you go, Summertime sadness. I just wanted you to know, That baby you’re the best.”

“Diet mountain dew, baby, New York City Never was there ever a girl so pretty,
Do you think we’ll be in love forever? Do you think we’ll be in love?”

“I will love you till the end of time I would wait a million years Promise you’ll remember that
you’re mine Baby can you see through the tears?”

“Heaven is a place on earth with you Tell me all the things you want to do
I heard that you like the bad girls Honey, is that true?”

Born To Die

“How did you get that way? I don’t know You’re screwed up and brilliant,
Look like a million dollar man, So why is my heart broke?”

“Light of my life, fire in my loins Be a good baby, do what I want Light of my life, fire in my loins,
Gimme them gold coins Gimme them coins”

“Every now and then the stars align boy and girl meet by the great design,
Could it be that you and me are the lucky ones”

“Come and take a walk on the wild side Let me kiss you hard in the pouring rain
You like your girls insane Choose your last words This is the last time
Cause you and I, we were born to die.”
