Work History

Architectural Intern	PageSoutherlandPage	11.2008 - 09.2010
----------------------	---------------------	-------------------

(11.2008 - 09.2010) Hired by PageSoutherlandPage to work in the new Texas Children Hospital - West campus in Katy, tx. The production of construction documents was completed by using Revit Architecture.
Reason for leaving: Layoff.

Architectural Intern	Gossen Livingston, Associates	08.2006 - 10.2008
----------------------	-------------------------------	-------------------

(06.2008 - 10.2008) Working in the Healthcare Studio in various renovation projects for the M.D Anderson Cancer Center.

(09.2007 - 05.2008) Gossen Livingston was hired to work in conjunction with HOK for the Sugarland & Willowbrook Methodist Hospitals. During this period I was required to work over at the HOK office following their working standards.

(08.2007 - 09.2007) Moved to the Gossen Livingston Houston location, working in the military studio in a new government building project in Forth Hood, Tx.

(08.2006 - 07.2007) Hired by Gossen Livingston (Wichita, KS) to work in conjunction with HOK Sports, WDM Architects, & MVP (McCluggage Van Sickle & Perry) in the Arena Design Consortium for the Sedgwick county. This was a 133 million project with a capacity of 16,000 seats currently under construction.

Reason for leaving: Seeking to improve my skills working in Revit, as well as in a high profile project.

Designer	DPIS Engineering	11.2005 - 08.2006
----------	------------------	-------------------

Responsible for the design & tagging of structural wood framing, based on architectural floor plans & elevations sent by architects & builders.

Reason for leaving: Seeking opportunities in Architecture.

Team Lead	JPMorganChase	05.1996 - 11.2005
-----------	---------------	-------------------

In charge of 40+ associates. Provided necessary tools, training & assistance. Ensured a constant work flow in a high pressure environment, meeting & exceeding daily targets & deadlines. Delegated associates to cover areas as needed. Made certain the quality of work for sensitive customers was met. Responsible for the completion of daily reports & transmissions at the end of the day. Assisted supervisor in special projects. Solved daily issues ranging from daily procedural errors from associates, to hardware & system malfunctions.

Reason for leaving: Acquired leadership skills & was ready to obtain working CAD experience.
