

## MOODY'S FOUNDATION CENTER FOR CARDIOVASCULAR HEALTH

### A *VITAL* RESOURCE FOR A *VITAL* COMMUNITY

Our physicians and staff are committed to providing outstanding patient care and service. We work with other physicians in the New York Downtown Wellness Center, as well as with other health care providers, on all aspects of a patient's condition.

Appointments and testing services are easily scheduled and in most cases can be arranged and performed within 24 to 48 hours. Most major insurance plans are accepted, and convenient appointments are available, including early morning and late afternoon visits.
