PORTFOLIO

Hello!

Thanks for taking the time to review my portfolio.

Is your company in need of a creative graphic designer with the ability to oversee all design and production from creative concept to delivery? Then I'm your man. I have a passion for motorsports design, vehicle wraps, logos, illustration and retouching. I am relocating to the St. Louis area ASAP.

I look forward to bringing my 15 years of experience in design, art production and thinking on my feet to your business.

Sincerely,

Joe Mikulas
