JACK DANIEL'S WHISKEY DINNER

*Please join us for an educational tasting featuring the entire family
of Whiskeys from the Jack Daniels Distillery with special guest
speaker and Distillery Representative Don Jean.*

This tasting will be accompanied by a full 4-course
New York Sirloin or Lobster Casserole Dinner.

The main feature, Jack Daniels Single Barrel Whiskey, was hand-selected by Steve Goller (Owner of Walpole Wine & Spirits) this past September at the Distillery in Lynchburg, Tennessee. It is exclusively bottled for Walpole Wine & Spirits and represents a unique and distinctive whiskey that is rich on the palate with accents of smooth, smoky vanilla, sweet caramel and generous spice with a long satisfying finish.
