Choosing the right doctor for you with only a list of names can be hit or miss. When it comes to making health care decisions about doctors, treatments, and hospitals, the more information you have, the better.

The UnitedHealth Premium program* makes it easy to find a doctor that meets quality and cost-efficiency criteria. To be a designated under the UnitedHealth Premium program, doctors must meet clinical guidelines published by the medical community and pass annual assessments of their performance.

UnitedHealth Premium designated surgeons have 59% lower complication rates and 15% lower costs.

To find a UnitedHealth Premium physician near you, simply launch the search tool through your myuhc.com account and look for the blue stars next to their names. Or call NurseLine and speak with a registered nurse about your needs and she'll guide you to a designated premium physician - **866-232-1514**.

*Please note that not all physician specialty's are included in this program and there may be limitations based on geographic area.
