

RENDERED FLOOR PLAN
1/8"=1'-0"

RECEPTION AREA ELEVATION
1/4"=1'-0"

HALLWAY ELEVATION
1/4"=1'-0"

Left: Final floor plan for St. Croix Studios with rendered materials and furniture selection represented. To enhance the presentation, I also included some landscape features.

Below: Rendered elevation of the reception desk and front waiting area along with line drawn elevation of the hallway. Renderings were all created in Photoshop.

Materials (Left): Small selection of materials and furniture for final Specifications.
