

*Concept one*  
(final direction- confidential)

**PROS:**

Good collapsibility  
Customized in color and fabric  
Sporty/ young look

**CONS:**

Needs storage space  
Height adjustability?  
Three wheeled walkers appear less stable

*Concept two*

**PROS:**

Provides spaces for customizing  
Good collapsibility/ portability  
Looks light

**CONS:**

Worried about the strength of joints  
Height adjustability?  
Needs breaks

*Concept three*

**PROS:**

Comfort of a familiar design  
Looks sturdy  
Also acts as a seat

**CONS:**

Too similar to what is available now  
Needs break.
