## Perfect stitching in one professional step.

Cut, seam, and finish all in one step for a professional result every time—and at up to 1,300 stitches per minute, Janome sergers get your work done fast.

Both machines feature—

- 3 and 4 thread convertible serging
- Differential feed ratio from 0.5 – 2.2 for smooth seams—even on difficult fabrics
- Adjust stitch length from 1 mm – 4 mm
- Quick conversion from basic overlock stitch to rolled hem stitch with no plate changes
- Dial adjusts cutting width from 3.1 mm – 7.3 mm
- Easy to follow color-coded threading system
- Built-in thread cutter

**Stitches:** Decorative Overedge, Picot Edge, Narrow Hem, Rolled Hem, 3-Thread Overlock (Wide), 3-Thread Overlock (Regular), 4-Thread Overlock.

- Electronic speed control
- Carrying handle for easy portability
- 5 Year limited warranty; 2 years electrical; 1 year labor

The 9102D Serger also features—

- Easy lay-in color-coded threading system
- Pre-threaded with 4 spools of thread
- Tension discs relax for easy threading
- Free instructional video

Here are a few samples of the built-in designs!

- 25 year warranty; 5 years electrical; 1 year labor

- Reverse Stitch for reinforcing seams
- Free-Arm design for hard-to-reach areas
- 350 stitches per minute—faster than other products its size
- 4 Point Feed Dog System for excellent control and feeding of fabric
- Two needle positions, center and left
- Full-Rotary Dial for quick and easy stitch changes
- Needle thread Tension Release
- AC Adapter Included
- Weighs less than 5 lbs
- 1 year limited warranty

Built-in needle threader

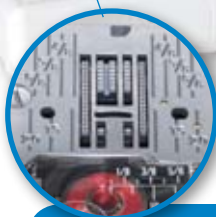

## It makes sewing so easy.

Threading a needle is as simple as 1-2-3 with the pull-down built-in needle threader. And the extra-high presser foot lifter makes it easy to work with thick seams and bulky fabrics.

- 12 stitches with 39 stitch functions
- Built-in needle threader
- Precise 4-step buttonholes in any size
- Heavy duty – handles denim with ease
- Built-in side thread cutter
- Adjustable stitch length
- Adjustable zigzag width
- Push-pull bobbin winding system
- Extra-high presser foot lift accommodates thick seams and bulky fabrics
- Snap-on presser feet
- Instant reverse
- Needle plate seam allowance markings
- Lay-in threading
- Free arm for sleeves, cuffs and hems
- Drop feed for mending, darning, monograms and tacking
- All the stitches you need for seams, mending, and finishing edges
- 25 year limited warranty; 2 years electrical; 1 year labor

Superior Feed System contacts the fabric at 7 specific points
