

{Solution}

Educate The Public

- Historical facts displayed on certain stones within the path/water feature
- Located at the original Cleveland Survey Sight and Witness Tree
- Plants within space are indigenous to Cleveland

Promote Relationships

- Furniture and space bring people together and encouraging interaction
- Space for people in Cleveland to enjoy instead of a parking lot
- Versatile public space encourages different social interactions

Promote Financial Growth

- Space for local entrepreneurs to sell their goods and help support local businesses
- Merchant/Community interaction
