A Very Dolce & Gabbana Christmas

Dolce & Gabbanas Fall/winter 2011 collection will be available in stores and on their websites this month

Dolce & Gabbanas new Fall/Winter 2011 collection will be available for purchase December 12, 2011, just in time for the holidays.

Dolce & Gabbana has said in an interview that they worked extra hard to get this line out as quick as possible, since it will be their last ad campaign they ever do and they wanted to go out with a bang.

Dolce & Gabbana have been bringing cultivating and extravagant fashion to the world since before 1985. They are known for making women look “fantastically sexy” with their glamorized and modernized versions of the feminist era. Dolce & Gabbana also has kiosks in several department stores, including Bergdorf Goodman, Lord and Taylor, Neiman Marcus and Saks Fifth Avenue, and plans to expand into the American cities of Atlanta, Chicago, Boston, San Francisco, and Washington D.C. They are putting out their last ad campaign as designers for their fall/Winter 2011 collection and are doing it before the holidays.
