

WANDA DEVELOPMENT  
GROUP  
HYATT REGENCY JINAN

Completed 2011

34,700m<sup>2</sup>

**DESIGN STATEMENT:**

The five star hotel is found in a developing city of China. The nearby springs that Jinan is famous for is the inspiration for the overall design of the hotel. Many of the design and finishes reference the Yellow river, water from the springs, and the mountainous terrain that is well known by local citizens.

**PROJECT PARAMETERS:**

- 340 rooms including king, twin, junior suite, executive suites, and presidential suite
- Ballroom with meeting facilities
- Main lobby and lift lobbies
- A buffet restaurant, speciality restaurant, and pastry shop
- Regency Club Lounge
- Spa and Health Club
