

You used to need a moustache to be a great detective.

"The Magnum"

"THE POIROT"

"The Marple"

Now all you need is a mouse.

From the team that brought you Bloomberg Money, investegate.co.uk is the newest and most comprehensive online source of company announcements, news and comment regarding UK quoted companies. Uncover the facts that could make all the difference to your investments. Stake out the companies that interest you and pick up the word on the street from some of the most respected financial journalists. Investegate.co.uk is also completely free and easy to use. So that really is case closed.
