

## Best App – Ginsters

Ginsters pasties have a long association with football and are enjoyed at grounds up and down the country.

But what if you are eating your pasty somewhere else – in the office or on the train?

Just as Heston Blumenthal serves his fish with the sounds of the seaside lapping in your ears, now you too can benefit from the way that ambient sounds can enhance food with...

1. Introduced by Ginsters celebrity chef in residence Herbert Bloomintrosers.

2. Choose favourite football team when you are about to consume a pasty.

3. Listen to an actual recording of the sounds from your ground – the chants, cheers and jeers – thus immeasurably enhancing your pasty-eating experience wherever you are.
