Our ministry focus is in:

Counseling

We provide biblical counseling. Believing that God's Word has much to say about life and our circumstances, scripture has answers for life and godliness. Our counselors come alongside you pointing you to the One who saves, redeems and restores.

Training and equipping

Grace provides Biblical Counseling training to church leaders, other ministries and believers interested in learning how to better love people that God places in their path. We provide seminars, teaching and training that equips people to come alongside others for the glory of God. Equipping people to make an impact in the lives of others is our call.

Resources

Grace provides resources for both counselors and the counseled. We have biblical resources and references that address:

- Fear
- Depression
- Anger
- Addictions and life dominating sins
- Bitterness
- Relationships
- Sexuality Issues
- Marriage
- Eating Disorders
- Obsessive/Compulsive Behaviors
- Self-Destructive Issues

God knows about our struggles and He wants to help us in practical ways.

Applying Biblical truths to our lives, we don't have to carry the burden on our own. The ministry of Grace Biblical Counseling Ministries exists to **counsel** the lost and the hurting; to **equip** those who are called to come alongside others; and to provide Biblical, life changing **resources**.

The radical difference between secular counseling and Biblical counseling. We don't talk about self-esteem or self-worth. We talk about a loving God who wants to transform us from the inside-out.

Consider what Paul told the Romans:

"More than that, we rejoice in our sufferings, knowing that suffering produces endurance, and endurance produces character, and character produces hope, and hope does not put us to shame, because God's love has been poured into our hearts through the Holy Spirit who has been given to us." Romans 5:3-5

Equipping the church body and beyond.

Grace Biblical Counseling Ministries provides training to counselors and church leaders who want to use God's Word in the lives of those struggling, looking for help and hope.

Our training includes: seminars, classes and observations of counseling sessions through NANC training centers and GBCM training events. **We are not licensed clinical therapists or professional counselors.**

We are biblical counselors bringing scriptural interpretation and understanding into the circumstances of your life, to the glory of God. As part of our equipping ministry, we may have other counselors present for training.
