

roots rack

reclaimed.rustic.custom.

the reclaimed wood texture gives each piece a unique hand-crafted feel.

the stark contrast between the warm salvaged wood and the cold black metal bring boldness and attitude to the design.

VS.

the materials used in the design instill the same sense of quality and craftsmanship experienced when looking at the raw endgrain of a fine wood product versus a synthetic, copycat material.

the artisan look of the material can be appreciated by any furniture consumer.

this particular stand is designed with wine in mind. the slots are specifically designed to hold wine bottles, and are also practical for pots and pans storage as well.
