BUILDING SECTION

SECOND FLOOR PLAN

A Zoning plan is used to divide spaces throughout the building. Guest circulation is Provided on the west side of the building for exhibitions, events, and day visits. The remainder of the first floor holds large painting, silkscreen, photography and wood shop studios. Small cafes and coffee shops are located between studios that are easily accessible for artists to take breaks. Administration offices are at the middle entry of the building for guests to come and enroll in new classes. The second floor of the building is exclusively for residents of the The Rowe. It is equip with a full gym and laundry room.

The interior of the building has a contemporary design with a light and airy feeling. The color scheme is minimal, using white and light gray tones. Color is brought in with furniture, featured artwork and greenery throughout the circulation of the building.
