Dear Sample A. Sample:

In business, "sort of fast" isn't fast enough. That's why now is the perfect time to get our Fios 50 Mbps Internet at a great price.

Or enjoy even more speed by upgrading to our 75 Mbps Internet and get a \$150 bonus.

At any speed, our 100% fiber-optic network gives you upload speeds as fast as your download speeds, along with unbeatable 99.9% network reliability. And our powerful Wi-Fi makes your entire office a business-ready zone.

**Faster Internet is just the beginning.**

You also get our Business Digital Voice phone service with unlimited nationwide calling. Plus, you'll be able to seamlessly integrate your office and mobile phone.

**Switching to Fios is hassle-free.**

There's no better time to give your business the speed to succeed. Get superfast Fios 50 Mbps Internet today – or choose our 75 Mbps speed and enjoy a \$150 bonus.

Sincerely,

*James*
