Important Information

Clinics

The clinic information printed in this listing was correct as of 09/11/2013. Medica offers open access to primary care and specialty clinics in our network without a referral. This means you can use any participating Medica clinic, hospital or other medical provider in the Medica network.

Medica primary care clinics are listed in the pages that follow.

We encourage you to select a primary care clinic for your care when you enroll. To verify if a clinic or physician is in the Medica network, you can call Customer Service at **952-992-2580** or toll-free at **1-888-347-3630**, visit our website at **www.medica.com**, or call the clinic directly to verify the most current information. Once enrolled in a Medica plan, we will send you an expanded Provider Directory that lists all participating providers in the region.

Your primary care clinic can provide most of the health care services you need, and will help coordinate your care. Please confirm with Customer Service that your clinic is still a provider with our health plan before signing up.

Cost Sharing

You may be required to pay an amount toward some health care services. This is called cost sharing. You are responsible to pay your cost sharing amount to your provider. Members will receive an **Evidence of Coverage** with more information about cost sharing.

Member Identification (ID) Cards and Member Packet

Members will get a health plan Member Identification (ID) Card. Your Medica member ID card will have your name, ID number, and care system on it. This card must be shown whenever you get health care.

After you enroll, you will receive your Medica member ID card. You will also receive a New Member Packet from Medica that shows you have to access the many services that Medica offers.

Service Accessibility

If you need special access to get services from a provider, you can get information by calling Customer Service at **952-992-2580** or toll free **1-888-347-3630** (TTY: **1-800-855-2880** and ask for **1-888-347-3630**). This could include, but is not limited to, access for services such as wheelchair access, or parking lot access.

Service Authorization

Our approval is needed for some services to be covered. The approval must be obtained before you get certain services or before we pay for them. Members will receive an **Evidence of Coverage** with more information about which services require authorization.

Transition of Care

When you join Medica AccessAbility Solution we will help you continue to get necessary health care services that were authorized before you enrolled with us. Some examples of these services are: orthodontia, mental health, chemical dependency, at-risk pregnancy, or prescriptions. If you are currently receiving care from a provider who is not in our provider network, we will help you transition to a participating provider.

We are not required to provide transportation to your primary care clinic if it is over 30 miles from your home if a primary care clinic is available within 30 miles. If you do not have a primary care clinic available within 30 miles, please call our Customer Service for assistance. If you need a ride and a closer clinic in our network is not available, please call the Transportation number listed above.

Members will receive an **Evidence of Coverage** with more information about transportation.

Urgent/After Hours/Emergency Care

Please call your doctor's office or call Medica Call-Link[®] toll free at **1-866-715-0915** for instructions on how to get urgent care or after hours care. In an emergency that needs treatment right away, either call **911** or go to the nearest emergency room.

Spenddowns

SNBC members who have an income over a certain limit may have to pay an amount each month called an "institutional" or "medical" spenddown. SNBC members with an institutional spenddown continue to pay their spenddown to the facility in which they live. Members who do not pay their spenddowns as required will be disenrolled from SNBC. People with a medical spenddown are not eligible to enroll in SNBC.

American Indians

American Indians can continue or begin to use tribal and Indian Health Services (IHS) clinics. We will not require prior approval or impose any conditions for you to get services at these clinics. For enrollees age 65 years and older this includes Elderly Waiver services accessed through the tribe.
