El Castillo Tropicale
COSTA RICA'S PREMIER PRIVATE ESTATE

The magnificent Manor House entrance leads to a spacious 3,000 square-foot entertaining area with comfortable seating for large parties. The upper level includes a bar, pool table, and entrance to the Upper Terrace. Guest comfort is the highest priority, and El Castillo is air conditioned throughout.

Explore the wonders of Costa Rica

The surrounding Costa Rican countryside offers many exciting experiences and unique adventures. The waters off Costa Rica are home to some of the world's best sport fishing for dolphin, tuna, marlin and sailfish. The beaches with snorkeling and surfing are superb. Activities include golf, casinos, white water rafting, horseback riding, canopy tours and the world-famous crocodile jungle cruise. Nature hikes include breathtaking scenery, unspoiled rainforests, volcanoes and cascading waterfalls. All excursions are arranged for you by our concierge and, if you wish, are escorted by El Castillo's bilingual staff.

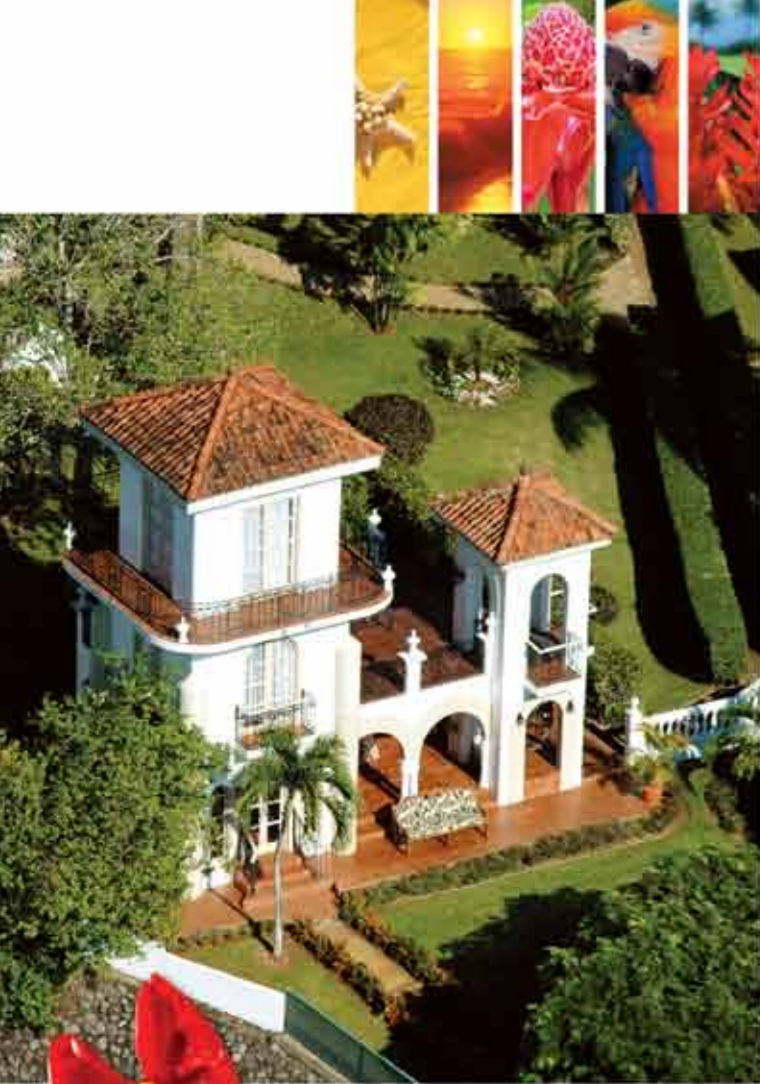

El Castillo, a secure and private nine-acre gated estate

El Castillo comfortably accommodates up to twenty-two guests in ten private bedrooms with ensuite baths. The four-room master suite includes a king bed and sitting area, dressing room, large bath, and connected private bedroom with twin beds. The Manor House also offers an additional three-room king suite, and two queen suites. El Castillo includes two Guest Villas each with three bedrooms, ensuite baths and an entertainment center with satellite television, coffee bar, and wet bar with refrigerator.

The Manor House includes a bar, pool table, game room with high speed wireless internet, and a media room with satellite television and hundreds of movies on DVD. El Castillo provides a choice of pleasant dining settings. Your private chef prepares meals specially selected for you. The Main Dining room and the Pool Pavillion comfortably seat twenty guests. The Upper and Lower Terraces are excellent locations for cocktails and meals with amazing views of the Gulf of Nicoya, the surrounding mountains, and romantic sunsets.

La Torre Spa

Located in the landmark tower building at El Castillo, La Torre Spa is your private retreat offering a wide selection of beauty and health treatments. The tranquil setting is perfect for a massage, meditation or yoga. La Torre amenities include fitness equipment, a shower and a soaking pool. Tropical breezes and unobstructed views of the mountains and the sea enhance your experience.

El Castillo Tropicale, a wealth of on-site activities

Guests have the exclusive use of the estate's excellent recreational facilities. Relax and unwind in the twelve-person jacuzzi. The free-form pool has plenty of pool games, rafts and floats. The 175' winding water slide provides fun for all ages. Hone your skills at our chipping and putting area, tennis court or at the giant chessboard. With so much to do, some guests never feel the need to leave the property. The estate's helipad is available for helicopter service.
