

Instructions for Use

In order to fully understand the way this magazine app works, here are a set of finger actions for you to use that help you navigate your way through each spread. They have been kept as simple as possible, so there is as little interruption to the experience of this magazine as possible.

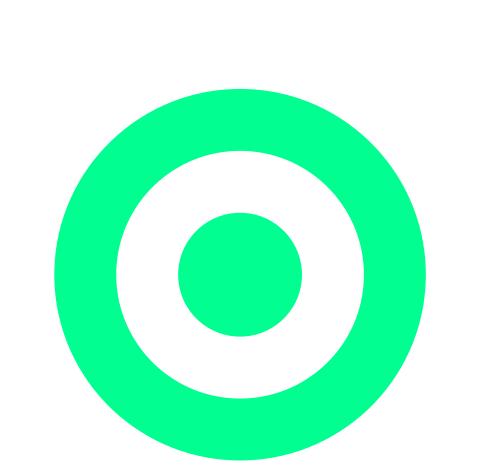

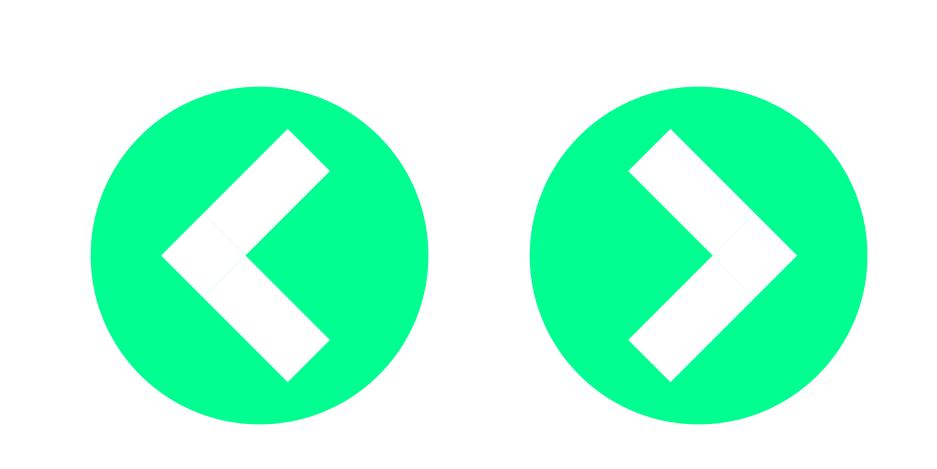

Four Finger Swipe Up/ Down - Pans in to E out of full magazine view

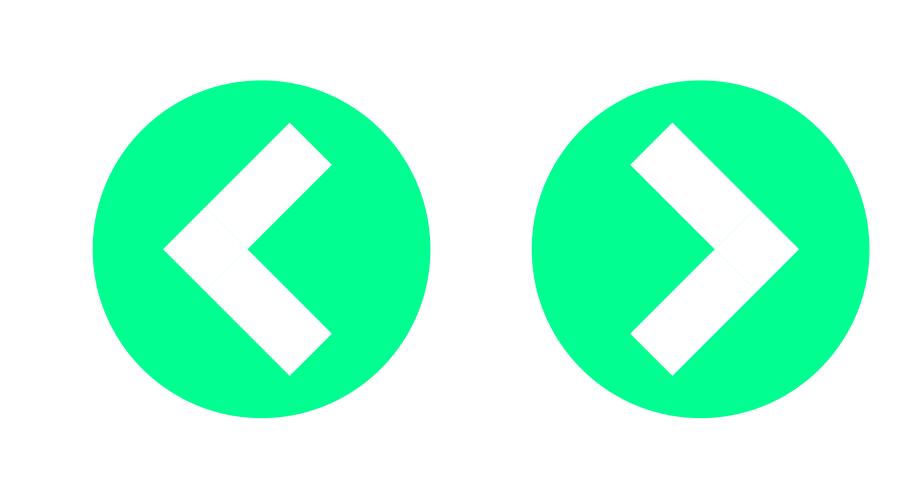

Two Finger Scroll - Scroll around selected content when centred on one piece

Double Tap (Single Finger) - Zoom to one piece of content

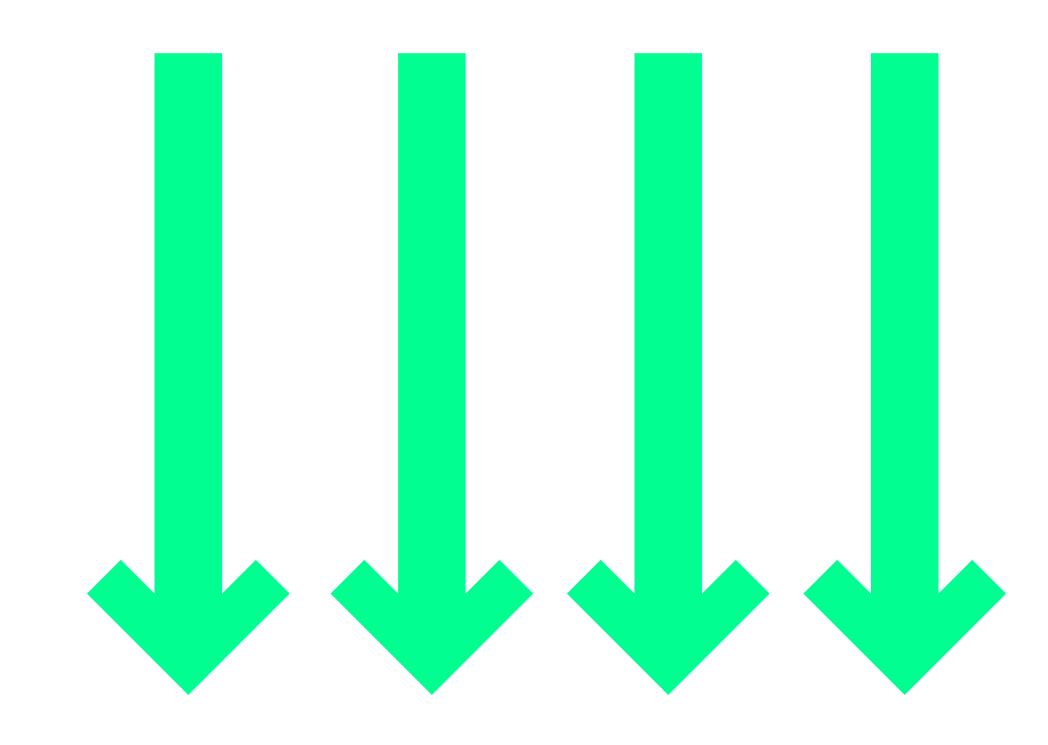

Forwards/Backwards Arrow Icons on Toolbar - Tap once to go through page contents

Forwards/Backwards Arrow Icons on Toolbar - Hold down to skip to next/prev page

Instructions/Twitter Icons - Touch former to come back to this page, the latter to Tweet

Four Finger Swipe Down (when on a page) -Return to page contents

Now click here to enter the magazine!
