

# Planning an adventure?

*Visit our online travel clinic for advice and treatments*

Order your **medication** online

**Free consultation** and delivery

**Same day** delivery available

If you're going travelling, or even just going on holiday, it's important to make sure you're staying healthy.

Whether you're travelling to a malaria-prone area, or simply concerned about the possibility of motion sickness or jet lag, you can find the advice and treatments you need at HealthExpress. We even offer same-day delivery so you can be sure you will receive your medication before you travel.

For your free consultation call our support team or visit our website today. Quote code **TRAVEL** for a **10% discount** on all treatments.

**0207 084 7120**
