Pssst...
you're invited!

Sitting pretty all summer

throughout Rocky River, these hand-crafted garden benches & Adirondack chairs — each individually painted with superbly creative and whimsical themes — have enhanced our outdoor spaces with their unique style & expression. Now is your chance to bring one home to your own garden!

Join us as these amazing creations are auctioned to benefit a variety of community organizations.

The Rocky River Junior Women's Club is a social and community service organization open to all women living in Rocky River. Learn more about us at one of our meetings this fall! Check out our website at www.rrjwc.org or ask a member for more information.
