

## BUBBLE, BUBBLE

[WWW.ROUSSEAU.CO.UK](http://WWW.ROUSSEAU.CO.UK)

The future is now and it is illuminated! These ultra-modern LED floating chairs are the essence of luxury, comfort and design.

No longer confined to our physical surroundings, there's literally a whole world out there to choose from and it's called the World Wide Web. Here's our pick of the month!
