

Virtual Designs

No longer confined to our physical surroundings, there's literally a whole world out there to choose from and it's called the World Wide Web. Here's our pick of the month

CIAO, ENZO

WWW.ROSANNACERAVOLODESIGN.COM

Make sure the kiddies don't find their gift early this Christmas by stashing them away in a stylish American walnut-crafted Enzo sideboard from the design studio of Rosanna Ceravolo.

PIXEL PERFECT

WWW.MENINOS.COM

Calling all technophiles – this one's for you! An 8-bit cursor might not be able to turn your wall into a computer desktop, but this creative hanger has definitely got us hooked.

OCTOPUS CHAIR

WWW.MAXIMORIERA.COM

After Santa's round the world journey this Christmas, why not surprise him with a chair fit for a king that would make Poseidon green (like holly) with envy!

REINDEER GAMES

WWW.ABCHOME.COM

If you're worried about sleeping through Santa's visit this season, why not invite his merry band of reindeers home in the form of these delicate ornaments?

HIGH GLOSS

WWW.JUDITHSENG.DE

The TRIFT collection from Judith Seng is made from a single pine tree and hand brushed and lacquered, the design changes and evolves as the wood ages.

PEACE & LOVE!

WWW.JONATHANADLER.COM

The holidays are a welcome reminder to cherish the most important things in our lives: the love we share with our friends and family and peace for all the world.

LET THERE BE LIGHT

WWW.BOMDESIGN.NL

This eco-friendly pendant lamp made with a reused Atlas is the perfect gift for those staying up and eagerly awaiting a visit from our globetrotting friend!

HOLY COW!

WWW.INMOD.COM

Forget about typical stocking stuffers – a chic seat combining ultra-modern design and natural inspiration is the gift that keeps on giving!

PHOTOGRAPHY: SUPPLIED

MY CUP RUNETH OVER

WWW.FINNSTYLE.COM

Nothing says "The holidays" like curling up with a good book and a hot drink in a vintage inspired glass from Finnish designer, Timo Sarpaneva.

O, CHRISTMAS TREE

WWW.FABIENCAPPELLO.COM

Dry, unwanted trees? Fabien Cappello transforms the wood from 1.8 million discarded Christmas trees in London into wonderful bespoke designs.
