

# Virtual Designs

No longer confined to our physical surroundings, there's literally a whole world out there to choose from and it's called the World Wide Web. Here's our pick of the month

COMPILED BY: IANA TZVETKOVA

## DIP-DYE

[WWW.BIAGETTI.NET](http://WWW.BIAGETTI.NET)

Atelier Biagetti's Post Design collection is making a serious statement by adding a neon splash to their contemporary interiors pieces. It's a bold choice that really pops!

## ONE-OF-A-KIND

[WWW.REBECCAATWOOD.COM](http://WWW.REBECCAATWOOD.COM)

With a focus on hand dyeing, printing and painting, Rebecca Atwood's textiles are truly unique – like this limited edition cushion inspired by traditional shibori dyeing technique.

## COUNTING SHEEP

[WWW.ROWENANDWREN.CO.UK](http://WWW.ROWENANDWREN.CO.UK)

A perfect addition for your little one's playroom, the Baa-Baa Book Shelf inspires a sense of child-like wonder! Picking out a bedtime story's never been this fun.

## OTTOMAN EMPIRE

[WWW.THEMODERNSHOP.CA](http://WWW.THEMODERNSHOP.CA)

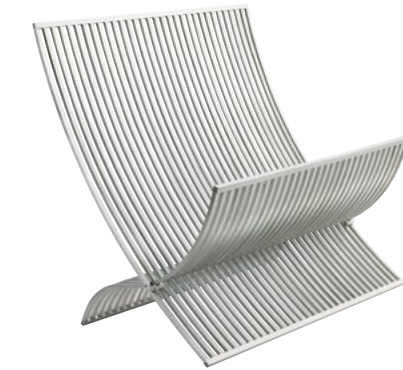

Nothing beats putting your feet up after a long day – especially if it's on this uniquely upholstered ottoman with beautiful antique quilts and fabrics, by Danish design house HAY.

## TAKE A SEAT

[WWW.STUDIOBLACKNAVY.COM](http://WWW.STUDIOBLACKNAVY.COM)

With a soft and flexible facade hiding the rigid and strong base of the Approach Chair, the brain child of Australian designer Andrew Watts, is not your typical chair.

## IN VOGUE

[WWW.BERGO.CA](http://WWW.BERGO.CA)

If you've been looking for a place to put all your treasured issues of *Emirates Home*, look no further than this Michelle Ivankovic-designed magazine rack.

## HERE KITTY, KITTY

[WWW.HOWKAPOW.COM](http://WWW.HOWKAPOW.COM)

The latest Howkapow collection is released this month and it is the cat's meow! We can't resist this fun feline-motif cushion, an essential creature comfort for your home.

## THAT'S SO RETRO

[WWW.UMBRA.COM](http://WWW.UMBRA.COM)

The 90s called and they want their analog games back! This blast-from-the-past set of playing cards takes its design cues from the iconic tape deck, predecessor of the MP3.

## FROM JAPAN, WITH LOVE

[WWW.ZAKANDFOX.COM](http://WWW.ZAKANDFOX.COM)

New York City-based designer Zak Profera's latest collection of contemporary linen textiles is inspired by traditional Japanese patterns and Japanese folklore.

## HOT FOR DOTS

[WWW.NEST.CO.UK](http://WWW.NEST.CO.UK)

Thousands of felted balls, hand stitched together and available in an assortment of colours make up the delightful Dot Carpet from Dutch design duo Scholten & Baijings.
