

TABLE FOR TWO

WWW.KINNARPS.COM

Elegant, spacious, and well-designed – is there anything the Cone table doesn't have going for it? How about a pop-up power port fitted into the base!

DIVA DIVAN

WWW.MODUSFURNITURE.CO.UK

Cheeky colour-blocked design in contrasting fabrics – this classic and playful concept comes from the design initiative of Claesson Koivisto Rune.

A GOOD EGG

WWW.GRSHOP.COM

The iconic chair, originally designed by Arne Jacobsen in 1958, is hatched once more and now available in a range of upholstery thank you Fritz Hansen.

SWEET DREAMS

WWW.HITCHMYLIUS.CO.UK

The broad headboard, integrated bedside tables, and high-end finish of this spectacular piece brings Jetsons futuristic style right into your bedroom.

FANTASTIC PLASTIC

WWW.FLUXFURNITURE.COM

Inspired by the art of Richard Sweeney, Douwe Jacobs and Tom Schouten have created this one-of-a-kind seat from a single piece of plastic.

CAN'T SIT STILL

WWW.LESCO.UK.COM

Though better known for their office décor, Lesco's latest Palace collection looks more like a life-sized game of Tetris in mid-play. Fun and functional indeed!

THE EXPANDABLES

WWW.ARCO.NL

The surprisingly simple yet unusually practical design of the Pivot desk makes for a highly distinctive, minimalistic, and unique workspace, perfect for the modern office.

ROLLER DISCO

WWW.AREAWARE.COM

Take a nostalgic trip back to the 1970s with an iconic, funky multi-functional roller skate cast in the perfect shade of bubble gum pink – yummy!

TOP-OF-THE-LINE

WWW.SORENROSE.COM

More than just a desk, this creative space features an integrated front file and cable exits, four modular, customisable spaces, and an electronic high-adjustable base.
