

# Virtual Designs

No longer confined to our physical surroundings, there's literally a whole world out there to choose from and it's called the World Wide Web. Here's our pick of the month

## **BRIGHT IDEA**

[WWW.SUCK.CO.UK](http://WWW.SUCK.CO.UK)

A lightbulb is the universal symbol for a good idea. An oversized bulb made of laser cut wood casting a "waffle-like glow" is the universal symbol of a brilliant design idea!
