

CHIC SECTIONAL

WWW.SHOWROOMSTORE.PL

The sky's the limit with this hip new modular seating programme with brightly hued movable elements, courtesy creative minds Karel Boonzaaijer and Dick Spierenburg.

FUNCTIONAL ART

WWW.APLUSRSTORE.COM

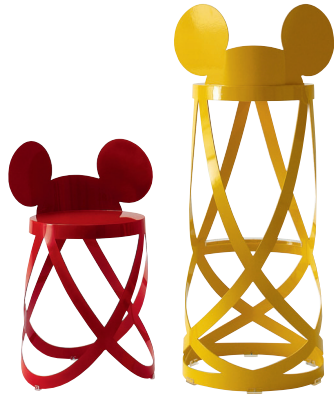

An ode to the Bauhaus art movement, this sculptural light makes a bold statement with its interlocking geometric circles, coloured discs, and links askew.

SODA POP!

WWW.FATBRAINTOYS.COM

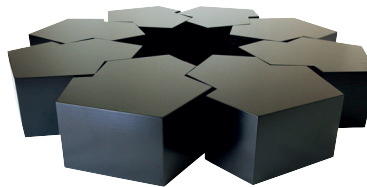

This replica Westinghouse Junior Coca-Cola soda chest is super cool – literally! A side-mounted bottle opener and lid chain add to its authentic feel.

SIT BACK AND RELAX

WWW.UNICAHOME.COM

Bring the magic of Disney home with one of these limited edition Cappellini ribbon stools. A fine example of fun, meeting funtion, meeting form.

ARABESQUE

WWW.ANJELIQUE.ME

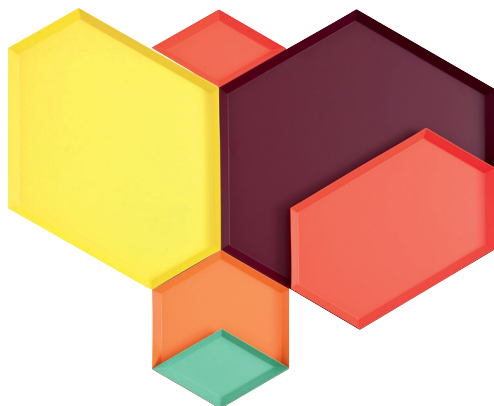

Yasmin Noureldin takes a modern approach to Islamic art with these unique geometric pieces. They're sure to add a contemporary touch to any room.

TRANSFORMER

WWW.BONBON.CO.UK

So much more than a typical sofa, this brightly upholstered convertible settee transforms into a bunk bed. Who can resist smart and space-saving furnishings!

KALEIDOSCOPIIC

WWW.HAY.DK

These geometric trays made a splash at this year's Stockholm Design Week with a palette of cheerful colour. What could be more fun than mixing and matching your own set!

PINING AWAY

WWW.EEKRA.COM

In a perfect marriage of technology and nature, this elegant lamp emits a distinctive ambient pattern of light by using semi-transparent beech plaques.

FUN IN THE SUN

WWW.HAMMACHER.COM/

If contorting like a human pretzel is your idea of a good time, there's no doubt that this maxi inflatable Twister-style game will be a fun challenge for the whole family.
