BEST SHAMPOO

KÉRASTASE BAIN FORCE ARCHITECTE

This shampoo contains Complex Ciment-Cylane, which will rebuild and strengthen each strand from root to tip. This complex works in three ways: it rebuilds each breakage point, fills in the gaps in the inner layer of the hair and smooths the outer hair cuticle. It might sound technical, but all you need to know is that it will restore your hair to its healthy, natural state.

SUNSIK CO-CREATIONS EXPERT PERFECT STRAIGHT CONDITIONER

This conditioner is a collaboration between Sunsilk and celebrity stylist and straight-hair specialist, Yuko Yamashita. This conditioner was created with Straight-Lock Technology, which hydrates each strand and actively controls the hair as it dries, keeping it perfectly straight and frizz-free.
