

BEST FACE MOISTURISER

OLAY TOTAL EFFECTS DAY MOISTURISER

Infused with seven vitamins and minerals to fight the seven main signs of ageing, this moisturiser is oil and fragrance free and won't clog your pores. It fights ageing by minimising lines, nourishing and moisturising, enhancing skin tone and reducing age spots, while gently exfoliating, closing pores, hydrating skin and protecting against free radicals. Staying youthful has never been so easy.

BEST ANTI-AGEING PRODUCT

OLAY REGENERIST REGENERATING CREAM

This anti-ageing cream contains Olay's patented Amino-Peptide Complex System, which contains amino-peptide, multi-vitamins, green tea extract, skin softeners and moisturisers. Its unique formula deeply hydrates and regenerates the skin, instantly plumping up fine lines and wrinkles. Over time, this cream will retexture, soften and smooth your skin. It also works wonderfully as a makeup base, so it won't interfere with your regular grooming schedule.

BEST EYE CREAM

KIEHL'S CREAMY EYE TREATMENT WITH AVOCADO

This eye cream contains avocado oil to restore the natural moisture of the skin, anti-oxidant beta-carotene and shea butter to restore suppleness. Its concentrated texture feels refreshing and won't migrate into your eyes. It also delivers a burst of hydration, gently moisturising the delicate eye area without irritating it.

BEST BODY MOISTURISER

L'OCCITANE ALMOND MILK CONCENTRATE

This body moisturiser is a concentrated milk that is light and fast-absorbing, leaving behind no greasy residue. It uses almond protein to firm the skin and soft silicium to support collagen production, firming and toning the whole body. It also smooths and nourishes the skin, leaving it feeling silky soft and lightly smelling of delicate almond blossoms.
