# PERU CAPITAL PROJECTS & INFRASTRUCTURE SUMMIT

**August 21-22, 2013 Westin Lima Lima, Peru**

The 2nd Peru Capital Projects and Infrastructure Summit is preparing for 2013 a premier gathering of global public and private infrastructure developers and investors in Peru, brought to you by Latin Markets. For 2013, the high-impact platform will bring together delegates from top-tier organizations in energy, transport, mining, telecom, real estate, and social infrastructure.

The 2nd edition of the Peru Capital Projects & Infrastructure Summit will be presenting Peru's leading mega-projects to prepare for more than \$10 billion infrastructure contracts the government is preparing to award in 2013 in the areas of Roads/Highways, Airports, Energy, Urban/Rural Infrastructure, Mining and more. Private investment in Peru climbed 12% in the first half of 2012, bank lending has risen 16% including a 15% increase in the area of construction.
