

WHO ARE WE ?

Pan Gulf Welding Solutions is a trading Company which has been in the business for over than 28 years here in the Middle East We supply welding and cutting equipments to major oil and gas companies such as Aramco, Sabic, Satorp and Bapco. We stock an extensive product range of consumables and equipment suited to every eventuality, from welding a parameter fence to assembly of the key components in an oil refinery

We are looking forward to meeting the mebers of our community and possible future clients. We sell small welding equipments and accessories that are easy to use for individuals interested in this field. We would like to give the opportunity to them to get access to a variety of our high quality welding products and accessories that are affordable and simple to use

Our goal is to become the leading supplier for all oil and gas companies in Saudi Arabia
