Fifth Annual Patient Positioning Symposium

March 14-16, 2013

Encore at Wynn Las Vegas

Las Vegas, Nevada

The Patient Positioning Symposium is specifically designed for radiotherapy professionals, including technologists, therapists, dosimetrists, physicists and physicians to discuss the latest advancements in patient positioning and immobilization solutions.

Come Thursday afternoon for additional hands on demonstrations, included in your registration fee.

Up to 16 CE credits will be awarded upon completion of the Symposium.
