About Nutmeg Technologies

At Nutmeg Technologies, our team is comprised of more than 20 technology professionals with an average of 20 years experience. We have been providing technology consultation since 1999, and we are quickly developing a spotless reputation in the industry for delivering innovation and results. Utilizing our experience, we are able to support any IT ecosystem. Some of our services include: IT managed services, IT support packages, co-managed IT support, IT consulting, IT networking and virtualization deployment/support.

We provide solutions for customers across the United States. Nutmeg Technologies holds multiple VMWare, Meraki and Avaya competencies and is a Microsoft Partner. We are dedicated to delivering technology solutions that solve problems to help move your business forward.
