# A TRIBUTE TO LOU BELLAMY

Join us to celebrate the legacy of Professor Louis R. Bellamy upon his retirement from the Department of Theatre Arts and Dance after thirty-two years of service to the University of Minnesota.

As a scholar, historian, and professor, Lou has made a unique contribution to the department, shepherding countless students through their exploration of the African-American experience and its influence on the theatre landscape. As a practitioner, Lou has left an indelible impression on a generation of young theatre artists including actors, directors, and technicians. Join us in thanks for his service and in celebration of his legacy.
