

PRINCESSES

AREN'T
ALWAYS

LOOKING FOR

A PRINCE

CHARMING

Let kids learn the right fairy tales.

Sometimes, it's hard for children to just be themselves.

Classrooms are especially difficult spaces that force children to fit in with the majority.

We can make schools a safer place by breaking down the gender divide and allowing children to be any character type regardless of their stereotype in fairytales - and real life.

Order a teaching pack online today.
