

sweet sexiness - childhood influences - graphic color

Call her the “urban Lolita.” Streetwear takes a mischievous turn with styles inspired by the girlish sexiness of pop stars Nicki Minaj, Azaelia Banks and Katy Perry. Candy colors are hotter, fiercer and more saturated. And following cues from designers like Jeremy Scott and Jean-Charles de Castelbajac, childhood icons are transformed into playfully provocative motifs. It’s innocence subverted, creating a rather impish brand of sexy.
