

Sugar Grove Christian School

Academic Excellence in a Christian Environment

mind

body

soul

Dear Friends,

Sugar Grove Christian School is dedicated to Academic Excellence in a Christian Environment. Since 1969, the school has nurtured the whole student - mind, body and soul - by providing challenging academics, small classes, devoted staff and above all, a meaningful focus on God.

From preschool to sixth grade, exceptional and engaging academics are an integral part of the SGCS curriculum. But education is more than books and tests. We believe every interaction with a student is an opportunity to build confidence, character and a love of learning.

SGCS makes a difference in the lives of children, guiding them as they grow academically, physically and spiritually in a Christ-centered setting - just as we have for more than 40 years.

Mission Statement

Sugar Grove Christian School exists to provide exemplary education in a Christian environment. The staff is committed to helping each child grow in ways that Jesus grew. Students participate in an academic program that allows them to grow in wisdom and stature, and to develop a positive relationship with God and one another.

*"Jesus grew in wisdom and stature, and in favor with God and man."
Luke 2:52*

guidance

SGCS Beliefs

- All students can learn.
- All students are valued individuals with differing abilities, needs and learning styles.
- Clear goals and high expectations for student achievement guide the development of curriculum.
- Learning activities challenge students to develop and use higher-order thinking skills.
- A variety of assessments allow students opportunities to demonstrate their learning achievements.
- The commitment to continuous improvement enables students to develop into independent, lifelong learners and good citizens.

spirit

Accreditation

Sugar Grove Christian School is a non-profit preschool and elementary accredited by the Southern Association of Colleges and Schools (SACS).

engagement

Admissions and Tuition

Testing is required of all new elementary students. A second child in a family receives a 20% discount off of monthly tuition. A third child receives a 35% discount. SGCS considers all students for available positions regardless of race or religious preference.

Chapel and Bible

All SGCS students participate in daily chapel. Chapel, Bible study and Scripture memory help develop spiritual growth and confidence. Students are involved in leading daily devotionals in the classroom and during chapel time.

Before and After School

Before-school care begins at 7:00 a.m. and is free-of-charge. After-school care is available for a fee until 6:00 p.m. After-school care is provided on most early dismissal days. Childcare is not available on school holidays.

dedication

growth

leadership

Elementary

SGCS challenges students by maintaining a high standard of learning. Up-to-date, advanced core curriculum is used throughout our classrooms, along with a variety of supplemental materials. SGCS continues to implement teaching skills and strategies to enhance the learning of our 21st Century students.

SGCS offers specialized classes in Health, Science, Music, Spanish, and daily Physical Education. A school library, as well as designated Science and Computer Labs, contribute to the learning atmosphere. Upper elementary students participate annually in a state academic meet.

Technology

Education and technology go hand-in-hand at SGCS. The state-of-the-art computer lab provides a fundamental learning environment. Tools such as mounted projectors, SMART Boards, Mobis and clickers are incorporated into students' everyday learning. Technology is integrated throughout the curriculum.

Preschool Program

Sugar Grove Christian School believes that nurturing a child's natural curiosity leads to wonderful discoveries. During the preschool years, a child's love of exploring can develop into a lifelong love of learning.

SGCS offers an accredited five-day program for three- and four-year-olds. The full-day classes are from 8:15 am to 3:30 pm. The curriculum consists of theme-based units that promote reading and math readiness, emerging language skills, along with fine and gross motor skills.

Students participate in music, literacy and drama activities, as well as, a Music & Movement Class. Spanish and Sign Language are also included in the four-year-old curriculum.

All preschool classes take part in daily chapel. Students learn lessons of God's love through the Bible stories, Scripture and songs.
